

TC12 Ink Consumption

Ink Usage Estimate Based on Common Codes

How many codes will I get out of my cartridge? That's a good question and we hear that a lot! If you already own a Redimark TC12, the coder will tell you the quantity of codes it is capable of printing on the main screen. If you are looking to purchase a TC12 coder, this ink consumption guide should help provide you an approximate print count per cartridge based on some common use date codes and sizes.
